The Legend of Sleepy Hollow High School

Tarrytown, New York

Ours is a river town, once dependent upon the Hudson for its commerce and transportation. Our valley figured in the early-settlement of our nation and was the scene of important action in the early wars. Without the river, much of the flavor and character of the Tarrytowns would be lost.

We look upon the river as a friend, an old friend whom we have admired through our four years at Sleepy Hollow. Let us, the builders of tomorrow, merit the respect and admiration that we, indeed, have held for this river. Then, and only then, will we be able to look back at the Hudson and know that we, too, have accomplished something.

To the Sleepy Hollow High School Class of 1964:

The theme for your yearbook seems to me especially appropriate this year, for to look back to the history of the Hudson River is to invite consideration of both the past and the future. When we view time in broad historical perspective, the period between the initial settlement of this area and the present has been brief. Progress during this time, however, has been almost unbelievable. Initial settlement of this area was not unrelated to the social, political, economic, and religious changes taking place in Europe at that time. Those who came to this region brought with them a spirit of independence, a courage, and a persistence that should serve as a lesson to all of us. The struggle of those early days was, first, for survival and, later, for the development of local and national institutions that would endure.

What does it mean? For you it means that the past is prologue. Those who preceeded you in the Hudson River valley had to face the realities of their times; they had to respond creatively to the problems of their day; they had to change; they had to move forward.

Your life will be no less different. You must also respond -- but your response must be even more imaginative and creative than was that of your forebears. The world is simply more complex and demanding now. But the opportunities are more numerous and attractive.

By virtue of your own application and the efforts of a dedicated teaching staff, I am convinced you are prepared to meet the future with confidence. You have earned the achievement of graduation and you must continue to earn achievement in education and in life as you move forward. While we wish you well, we must point to the history of our own locality as a powerful reminder that progress was never made by standing still.

To the Class of 1964 -

You go into a world of perplexing challenges. Economic, political, and social problems are more intense all over the world than they have been in many centuries. It is the hope of the faculty that the four years spent in Sleepy Hollow have been an important part of preparing this class to meet the test of these times, that insights, understandings, skills, and facts have merged to form a stable philosophy of life equal to the demands of the next 60 years. Bon Voyage!

Dedication

Mr. Elliot Stearns

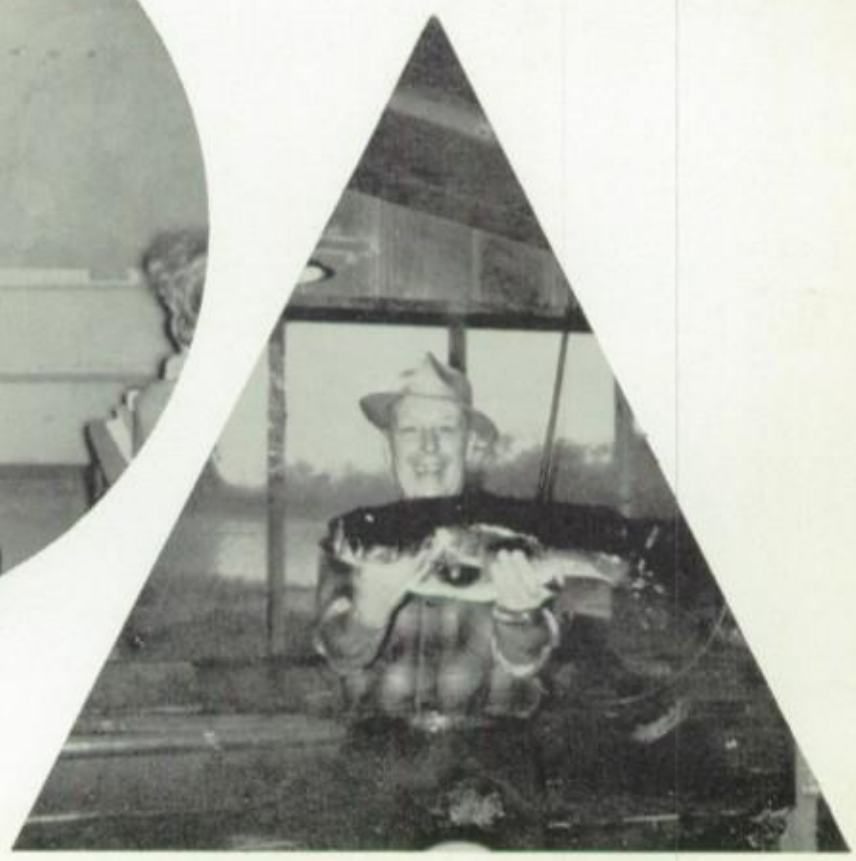
"Friendship is one of the rarest commodities of our times, but Mr. Stearns was never too busy to be a friend."

"This year we've really missed Pop's warm personality at Sleepy Hollow."

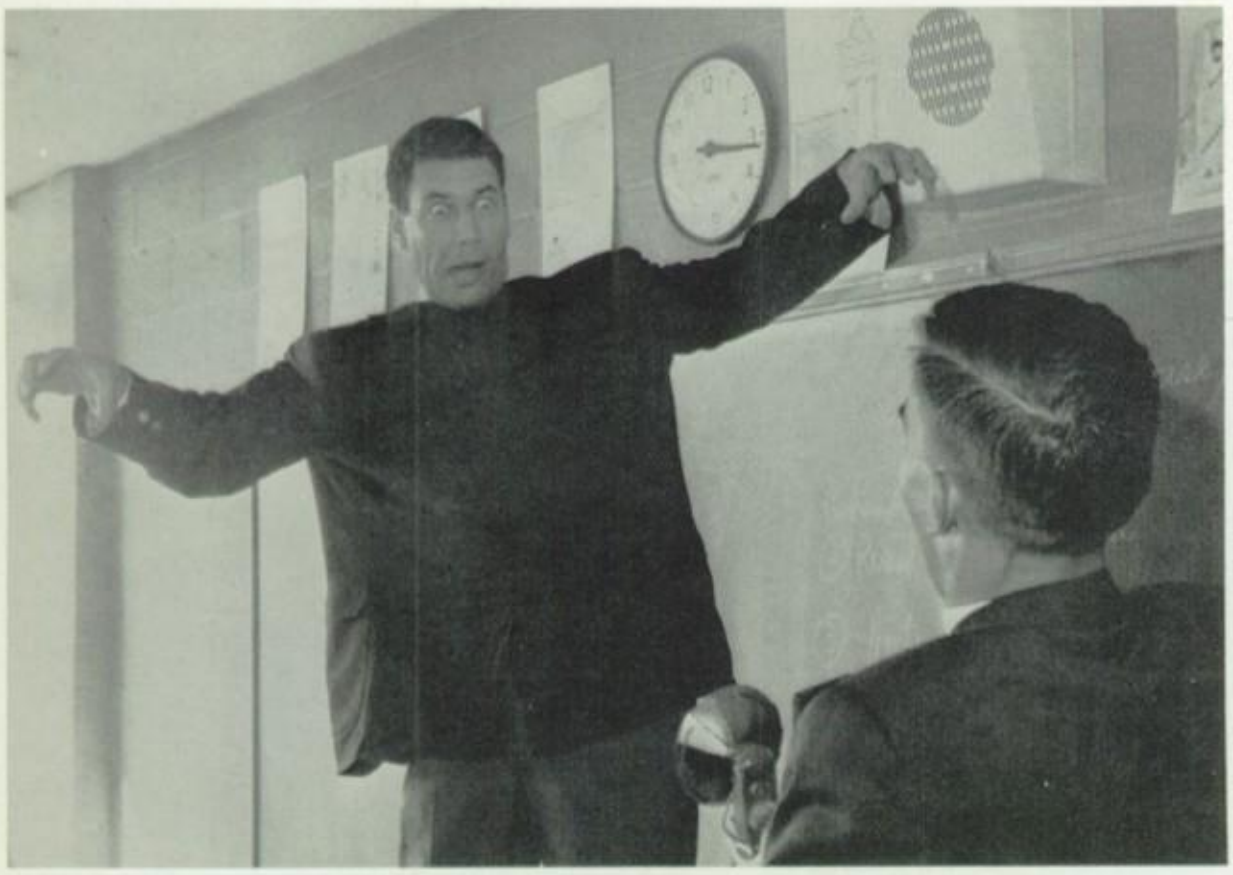
"He was a wonderful teacher who held the class' attention with his jokes about the meager allowance his wife gave him and his stimulating teaching."

"Mr. Stearns was always willing to help and ready to care, whether on the football field with a stumbling Tittle or in the classroom with a stumbling Einstein."

"I'll never forget the way Pop Stearns made me feel at home when I first came to Sleepy Hollow High. He took me aside and explained the school routine, and he saw to it that I was always included in homeroom activities."

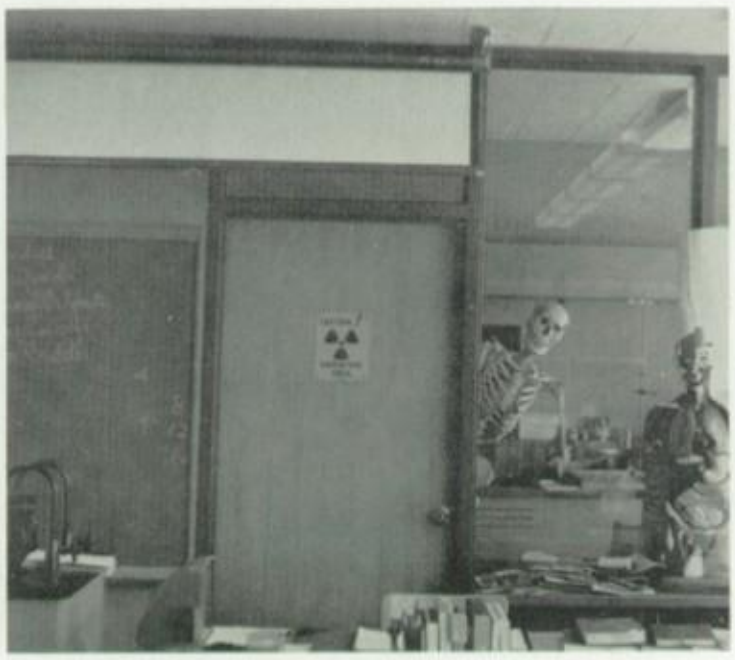


"I only hope that someday we may justify Mr. Stearn's unfailing faith and trust in our characters."



"Agh!"

"I wanna hold your nose . . . "



"I'll be out in a minute."

"Let's see, red king on the black ace . . . "

"You sure bake good brownies, Craz"

"Where were you third period?"

"To church, James!"

"Oh, such a fussy eater!"

Senior Class History

As the class of 1964 looks back on its high school career, it seems that our freshman, sophomore, and junior years were just a build-up to our senior year. We have worked hard, keeping 1963-64 as our goal.

In our freshman year, we were typically disorganized and a bit overwhelmed, but anxious to become an integral part of the Sleepy Hollow tradition. One of our history classes, with the help of Mr. Hynes, earned money to attend the 1960 Presidential Inauguration. The class as a whole sponsored a Spring Fever Dance, under the guidance of Miss Hahn, our Freshman advisor.

In our sophomore year, we were a bit more organized, and our spirit as a class was beginning to grow. As was the custom, we sponsored the annual magazine sale, which proved successful in putting us well on our way toward the Prom, the event highlighting our junior year. We continued the tradition of holding the Prom at the Hilton Inn. The Prom provided us with a not-to-be-forgotten night and a bad sunburn from the next day at the beach.

These events of our first three years in Sleepy Hollow were but the build up to this, our final and best year. Our senior car wash and cake sale, Ossining car smash, Senior Spectacular, and sale of class pins helped us to raise money for the yearbook and our picnic and banquet, which we now anticipate as the crowning events of our four years. Before we move on to graduation, we look back at our class of '64 with great pride—our scholars, tremendous athletes, undefeated football team, and all the little memories which made up our class—the class of 1964.

The '64 Legend, under the able guidance of editor-in-chief Cindy Chapman, Miss Barbara Robins, and after her escape, Mrs. Sandra Metes, enjoyed a very successful season. After the first meeting attendance dwindled as the work mounted.

Cindy's devoted (?) staff managed to produce this year's yearbook only after many meetings ran late, pictures weren't taken, and dear Cindy changed into a grump. It must be

YEARBOOK STAFF AND FRIENDS

G.O.

This year's G.O. was under the direction of President Steve Conn, Vice President Gene Carruthers, Secretary Claudia Wingert, and Treasurer Charles Smith. Mr. Hynes was the advisor.

Several activities were sponsored by the G.O. this year, including an exchange assembly with Harrison H.S. and a S.W.I.A.C. Bowl Contest with Eastchester. The highlight of the activities this year was the Christmas Dance, featuring the Cab Calloway Band.

The increased student interest in the G.O. was shown by a record high of G.O. booklet sales. With this money the G.O. hopes to start such projects as the purchase of an electric scoreboard for the school.

Officers are: Dean Dolan—President; JoAnna Pulsoni—Vice President; Barbara Lewandowski and Ann Hlavicka—Secretaries and Cathy Aiello—Treasurer.

Russian Club

The Russian Club extends a greeting to all who appreciate trying to figure out Russian. Among the year's events are another scavenger hunt, several trips to the "picturesque Russian districts" of the city, and propaganda in general. It is also hoped that the club will sponsor a foreign film. Officers President: D. Dolan, Vice President: J. Rizzi, Treasurer: J. Canning, Secretary: J. Leitzer.

Future Nurses Club

The Future Nurses Club, under the guidance of Miss Lee, is open to any students who plan on a career in nursing, therapy, hospital dietetics, or laboratory work. The club sponsors trips to nearby nursing schools. We hope to attend the Open House at Westchester School of Nursing. Our fall trip was to Phelps Memorial Hospital. The officers are: Sue Calore—President; Carolyn Visconti—Vice President; Esther Henton—Secretary; and Bernadine Smith—Treasurer.

Future Teachers' Club

The Future Teachers' of America Club tries to help students determine whether or not they are truly interested in teaching as their vocation.

This year's club had meetings with various college representatives and visited N. Y. State University at New Paltz. Mr. MacCleod spoke to the club on the theory of team teaching and its application in our school system. Experience was gained under the student teaching program set up by the club's advisors Mrs. Elliot and Mr. Alpert. Under this program, seniors in the club observed and actually participated in the instruction of classes at John Paulding and S. H. Pres. Larry Walton, V. P. Ann Galassi, Sec.-Treas. Kathy Aiello.

U. N. Club

The members of the United Nations club strive to understand the functions of the United Nations and to publicize its constructive work. In keeping with the goal, they have cooperated with the Tarrytown League of Women Voters in manning the information booth.

In January, the club was sorry to see Miss Wright leave. She has been the faculty advisor since 1945.

Their prerequisites for membership: enthusiasm and genuine interest in world affairs. Pres. Maxine Kaplan, V. P. Joan Leitzer, Sec. Judy Rizzi, Treas. Joan Rizzi.

Shadow and Substance

Through the efforts of this magazine staff, under the Editorship of Althea Shepherd and Joan Sanford, prose and poetry of our student body, along with our best literary endeavors, are compiled in an annual literary magazine. Its primary objective is to stimulate a greater interest in creative writing. Club advisor is Mr. Kingston.

Key Club

The Key Club, a service organization for school and community, is affiliated with Kiwanis International. This year the club sponsored a successful candy sale and waiter service to raise money for their school service project, in addition to entertaining children in various county institutions during Christmas time. Its officers are: Carl Caivano, President; Steve Smith, Vice President; E. K. Frandsen, Secretary; Steve Conn, Treasurer; Mr. Weiss, Advisor.

Sunnyside

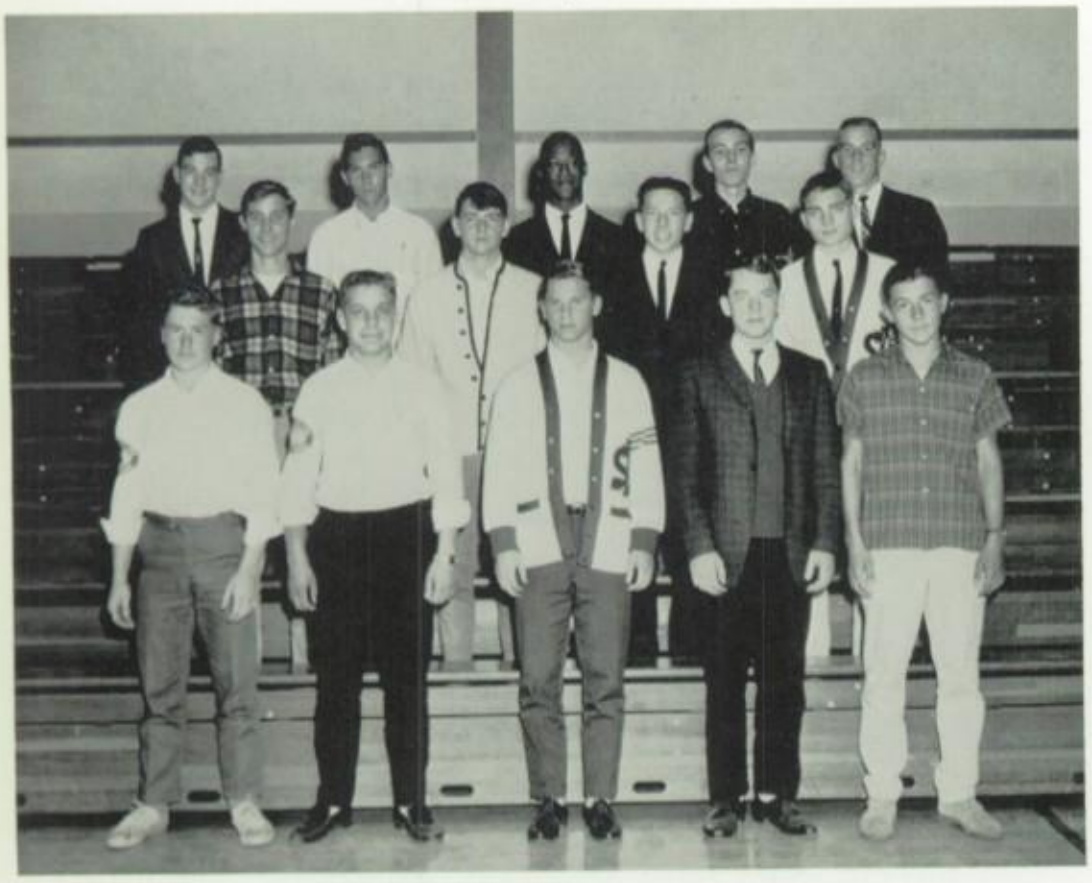
Neda,
It seems we always do something other than chemistry in chem class, so why not sign yearbooks? It's been great being with you in Am History & chem, & I'll never forget Mr. Hynes' teasing you. I suffered with you when he did it. I know how it felt. Best of luck at college.
Love,
Maxine

Sunnyside, the school newspaper, is the product of students with creative ability and initiative to work and track down items of interest and to write about them. Realizing the need for informality and closer contact with the student body, a new feature: "The Inquiring Reporter," has been added. With Mr. Craz as advisor, the editors, Edward Wolff and Maxine Kaplan, and staff hope to continue serving Sleepy Hollow.

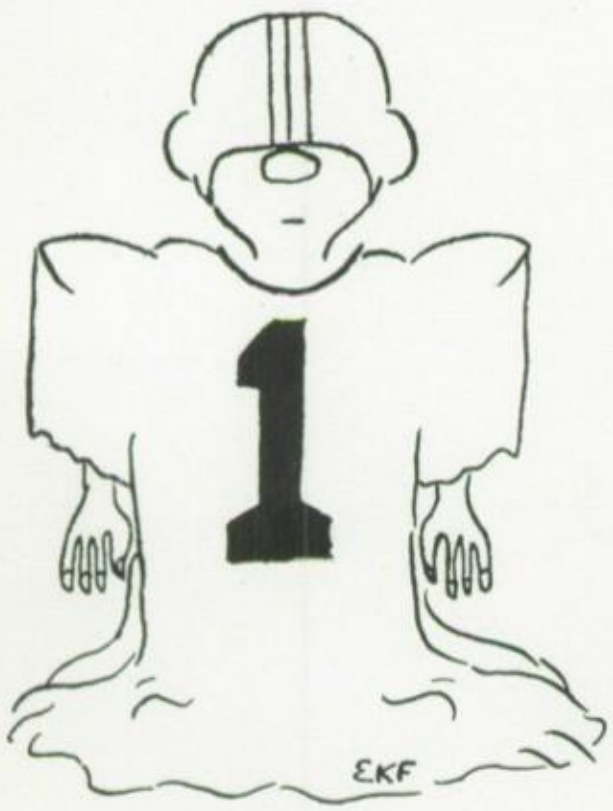
Ski Club

The Ski Club is concerned chiefly with the stimulation and practice of the interest in skiing held by the members. Among the club's activities are several days trips to nearby ski areas as well as one major weekend trip. The advisors are Miss Mahre and Mrs. Gilwee. The officers are: President Jim Wolitarsky; Vice President—Jack McMahan; Treasurer—Erik Ekholm and Secretary—Patty Andrews.

Honor Squad



This year the Honor Squad has continued to uphold its short but honorable record. Reorganized and decreased in number to increase efficiency, it operated under the leadership of Sgt. Jim Wolitarsky, Jim Bibbo, Alfred Weisbrich, Jim Jacobsen, Lt. Steve Conn, Gene Carruthers, Capt. Erik Ekholm and Advisor, Mr. Hynes.



Varsity Club

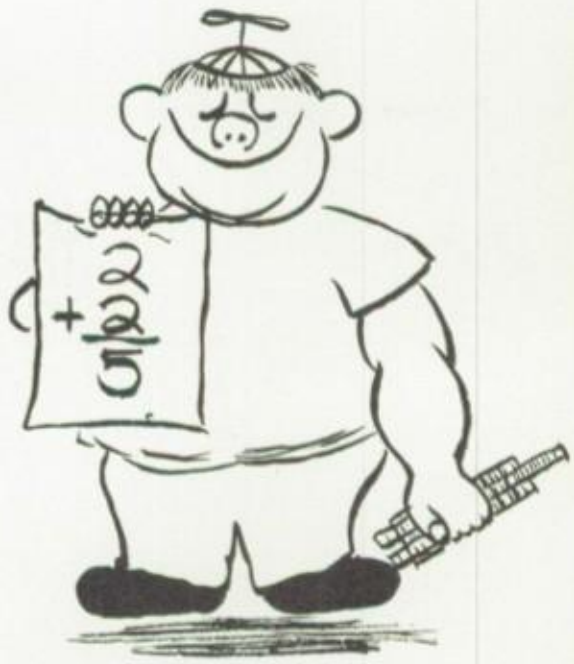
To the SWEETEST GIRL in the Senior class.
Ned'd you've come along way, always toward better things. You've got charm, refinement, joie de vie, intelligence and beauty. That are unbeatable. Success to you is only a matter of time. I wish you the best. May God bless you. I will always remember you
Love
Steve

With all of its members taking an active part in its reorganization, the Varsity Club has accomplished several important things. These include trips to athletic events, establishing a hall of fame and joining with the G.A.C. in efforts to strengthen school tradition and spirit. Club advisor is Mr. Brown.

Electronics Club

Ham radio articles are stimulated under the direction of Mr. Greenberg. Many of the members have sets of their own on which they practice transmitting and receiving. In the club, the members learn about operation and care of radio equipment. They receive early training in this phase of electronics.

Math Club



The Math Club, under the sponsorship of Miss Hahn, is one of the most active clubs in Sleepy Hollow. Besides its monthly meetings the club has great lectures and is planning a trip to some place of Mathematic interest. The year is ended with a picnic and a treasure hunt. The officers are: Edward Wolff—President; David Taub—Program Chairman; Sue Gabbe and Mary Scott—Secretary-Treasurer.

Newspaper Representatives

The distribution of the newspapers, under the coordination of Ernest Prassel, is carried on by only a group of students little noticed and appreciated. Sleepy Hollow students are kept well informed by the *New York Times* and *Herald Tribune* supplied by this well-organized body.

Drama Club

The Drama Club elects its members on the basis of their previous work on the productions crews and/or casts of school plays. Its purpose is to provide material in the form of theater trips to enlarge the scope of the members' experience in dramatics. This year the Drama Club is sponsored by Mr. Barry and the officers are: President—Nancy Sellers; Vice-President-Douglas Stann; Secretary—Lynn Wilde and Treasurer—Joe Godfrey.

This year, under the skillful direction of Miss Schnider, the orchestra has performed baroque, classical, and contemporary music. Most important of all, they have learned to take pride in all that the orchestra does.

Football

The 1963 Horsemen football squad brought a glory to the Tarrytowns which has not been seen in over 30 years: an unblemished record of 8 wins and no losses, including the 5-0 sweep of the SWIAC Conference.

Our team included some of the finest players in Westchester. Charles "Butch" Remmel accumulated 91 points to become the county's top scorer. Gene "Fat Daddy" Carruthers and Steve Conn received the Con-Edison Award. In addition to these honors, nine Horsemen gridders were chosen as members of the All-SWIAC Squads. On the first team were Butch Remmel, Gene Carruthers, Gene Clark, Joe Terrone, and John Blalock; on the second team were Bob Mullan and Steve Conn. Doug Delsoldato and Jeff Herguth were awarded honorable mentions.

Next year, with many fine juniors and J.V. boys under the outstanding guidance of Harry O'Neil, Bruce Thomas, and Bob Stutts, we may again have an undefeated football dynasty.

The junior varsity football team, under the co-captainship of Don McGee and Joe Centafanti and the coaching of All-SWIAC scout Bob Stutts, finished their season with an admirable record of 4 wins and 3 losses. Outstanding backs included Don Marsala and Frank Zambrano; linemen, Nils Kindgren, Bob Langley, Rich Nichols, Rich DiBlasi, Everett Oliphant, and Nick Venier. Highlights of the season were the 20-0 victory over Rye and the fantastic comeback at Peekskill. We were behind 13-0 in the fourth period, when freshman Rick Mica, quarterback, led the team to victory.

1963 BOOTERS

The Sleepy Hollow Booters, under the fine coaching of Ray Willmott, had a winning season with many outstanding games. New players and upperclassmen have amply made up for the loss of Al Bloomfield, four year all county Booter. The starting team is superlative, and the squad boasts a host of reserve strength. Al Weisbrich (top scorer), Manuel Occipinti, Renato Dicheccis, Jim Adams, and freshman Walter Pacinni control the offense. Coach Willmott has great strength in his halfbacks such as Rod (all county) Rodrigues, Frank Ennis, Charlie Beier, Doug Hood, Rick Harmon, and Ed Wolff. Those responsible for the defense are Vic Souza (all county) and Rod Schlieder (all county), both fullbacks, and lightning goalie Tom Willmott, also an all county man.

The team was chosen to play in the county tournament against Bronxville and defeated them in overtime. The later defeat of Scarsdale clinched the county championship.

Sleepy Hollow's cross-country team won its second SWIAC championship in two years of league competition maintaining the fall sport status quo of Sleepy Hollow high school. Returning varsity members next season should include all-SWIAC runners Frank Huck and Bob Wolitarsky plus Gene Washington, who was out much of the season with injuries. Other probabilities include Bill Huck, Mike Salic, Frank Pavella, John Fox, Big Chuck Beck, and freshman John Logan making the squad potentially explosive. Seniors who will be missed include Captain E. K. Frandsen, Bob Carpenter, Geoff Gill, and Alan Nicolai.

Under the tutelage of Mr. Bruce Thomas, indoor track firmly established itself at Sleepy Hollow this winter. Although success on the county level was only minor, most of the boys displayed potential that should be converted to points this spring and again next winter. Standouts on the squad this year include Bob Variano and Frank Calao who displayed good form in

the shot-put, Joe Terrone (until an injury prevented further competition), Bill Balassi, and Gary Ettlemeyer who ran well in the sprints, John Fox, Bob Wolitarsky, Mike Salic, and Bill Marino, who stood out in the middle-distances, and Bill and Frank Huck, Big Chuck Beck, Ed Swaby, and Alan Nicolai who showed stamina in the distances.

Varsity Basketball

Sleepy Hollow's varsity basketball team produced an overall record of 16 wins and 6 losses. They brought to Sleepy Hollow the Holiday Festival Tournament Championship, again. The highlight of the year was the team's victorious march to win the Section I, Class A Tournament Championship. Though defeated in the A-AA game by Port Chester the success was still one to be proud of.

The Horsemen were led by co-captains Gene Clark and Butch Remmel. Both boys made all-County and the West squad, along with Frank Ennis who was on the West, in the East-West Game. Remmel who also selected as a member of the all-tournament team in the Section 1 Tournament. In the tournament the Horsemen were victorious in the finals against Pelham, SWIAC champ and two-time winner over S.H.H.S. in the season.

Next year's team should be another fine one and will try to bring back the SWIAC Championship after a drop to second place with a record of 8 wins and 2 losses in SWIAC play. Besides Remmel, Clark, and Ennis Brad Taylor, Bob Carpenter, Tom Willmott, Pete D'Andreano, and Rod Schlieder will leave this year. Next year the team will have the services of return starter Jim Buckley along with veterans Bob Croke, Vic Souza, Mike Piedimonte, Joe Jenkins, and Stu Krane to form a nucleus for a team that will also have several J.V. players coming up.

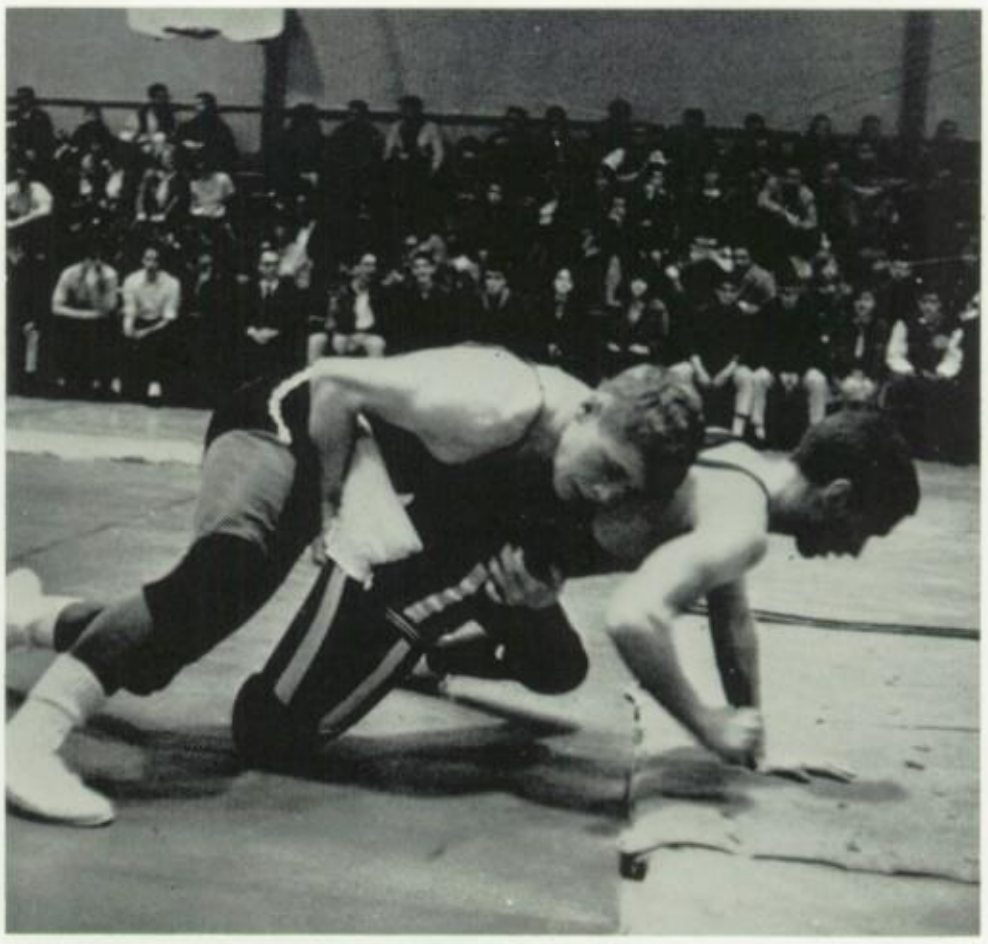
Wrestling

This year's wrestling team, led by two new coaches, John McCleery and assistant Robert Brown, completed a demanding schedule with a 5-7-1 record. The team was led by Capt. Bruce Leonard, who was undefeated, Jesse Carter and Ed Scrocca, all seniors.

Our team was plagued by a lack of experience, but was aided by the outstanding determination displayed by everyone. In the future, such stars as T. J. Bashant, Rich DiBlasi, Buzz Hayes, and Rico Menendez will shine. With the loss of only four seniors, Sleepy Hollow should earn a high ranking in the county next year.



Row 1: Mr. Robert Brown, Mr. Jack McCleery. *Row 2:* T. Bashant, M. Franscino, B. Baker, B. Calahan, P. Pelermo, J. VanSteen, J. Brophy. *Row 3:* J. Wolitarsky, R. Menendez, B. Gray, J. Bibbo, J. McGee. *Row 6:* E. DiMaio, V. Nicolais, B. Hubble, H. Steiner, L. Rosen, B. Noble, R. Helle. *Missing:* B. Hayes, E. Scrocca, C. Dumas.

Ice Hockey

Row 1: B. Murray, Doc Rasbeck, D. Foster. *Row 2:* C. VanSteen, G. Gill, S. Smallman, C. Thiele, G. Kuntz, F. Rufle, B. VanWert. *Row 3:* R. Harmon, T. Cappasella, B. Bulassi, M. Berkley, E. For the first time in the history of Sleepy Hollow, Doc Rasbeck's hockey team completed the season with an equal number of victories and defeats. They finished the season with a 5 won—5 lost—3 tied record in WIHL competition.

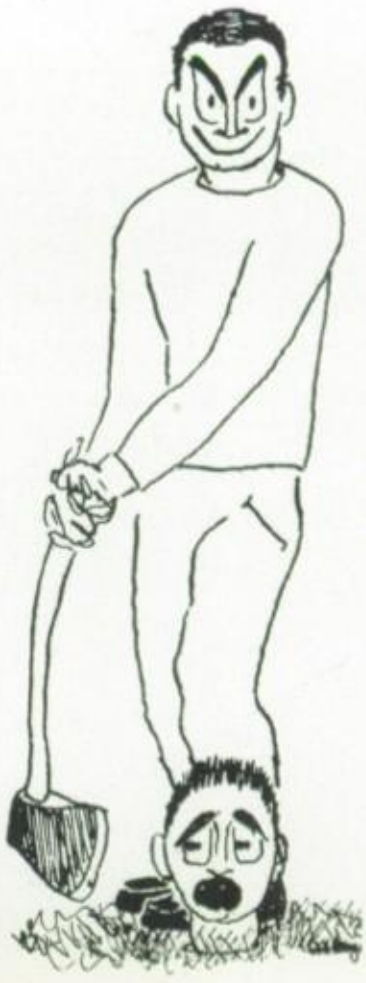
Sporting a well-balanced attack, the two Iceman lines possessed a great ability to score. The first line, composed of Dave Foster (10 goals), Frank Rufle (11 goals), and George Kuntz, will return as a whole next year. The second line composed of "Battlin' Bill" Basher, Tom "Big Daddy" Cordner, and Chris Thiele, was acknowledged as one of the best around. The defense, led by team captains Neil Benedict and Bob Murray, was one of the roughest units in the county.

Acrobatic goalie Bob VanWert sported a fine 2.31 goals against average.

Golf

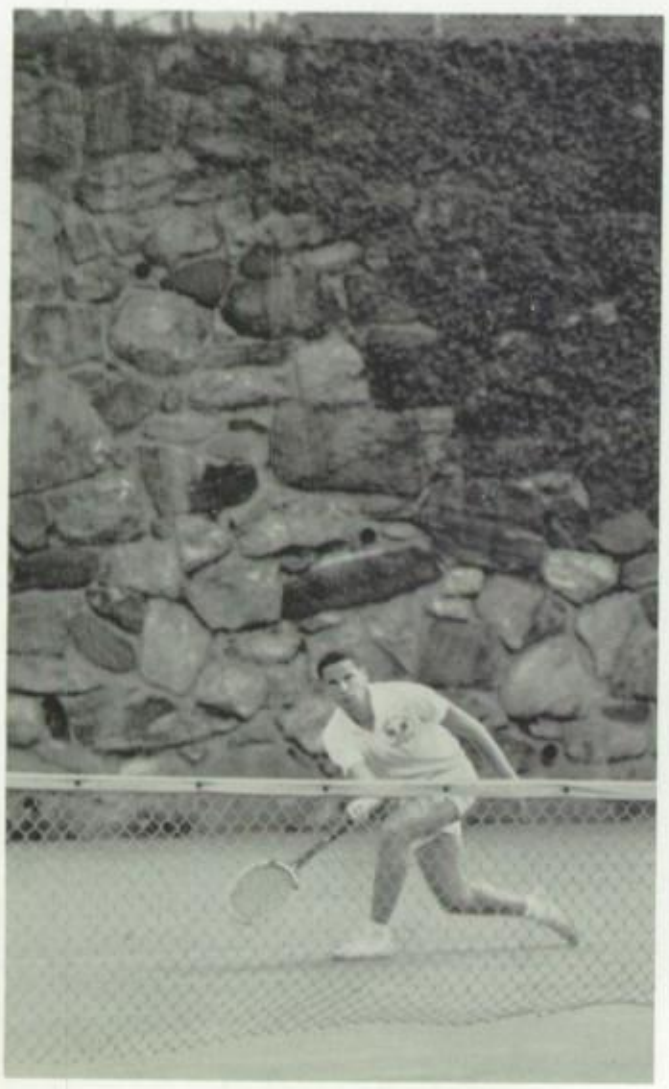
First Row: J. Bibbo, G. Bibbo, S. Bylick, R. Surer. *Second Row:* Coach Sager, L. Rosen, S. Smith, J. Watson, K. Rothman, S. Byrne. *Missing:* M. Hongach, K. Slavin.

The Sleepy Hollow High School Golf Team can look forward to a fine 1964 season under Joe Sager. Although last year's team had only two wins as compared to five losses, the return of several veterans from last year's team forecasts at least a .500 season. The returning veterans include Mike "Iron Man" Hongach, Kevin "Hotshot" Slavin, and Jimmy Bibbo. These men, along with a few first year men, should provide Coach Sager with a well rounded team. Obviously, a really good golf team isn't developed overnight, but Sleepy Hollow can be sure that the school will, in the near future, have a very good team.



Tennis

THE 1963 TEAM—*First Row:* F. Alford, B. Hays, C. Van Steen, F. Odere, Mr. Buchwald. *Second Row:* A. Weisbruch, G. Greenbaum, L. Polya, E. Fitzpatrick, J. Parker, G. Ettlemeyer, R. Schlieder, C. Beck, E. Wolff, A. Nicholai, I. Gulyas, H. Shelton, M. Mayne.



The Tennis Team coached by Mr. Buchwald finished the 1963 season with 3 wins and 11 losses, one of the best Sleepy Hollow tennis records ever to be compiled. The team was led by All-SWIAC selection Fred Alford. Fred unfortunately transferred and the team will sorely miss his fine ability this year. Alford along with Rod Schlieder and Ed Wolff were the number 1, 2, and 3 players last season. All turned in fine performances throughout the 14 matches.

The 1964 Tennis Team should be nearly as good as last year's with the return of senior Rod Schlieder and Ed Wolff and Ivan Guylas, Howie Shelton, Buzzy Hays, and John Van Steen all expected to return. Mr. Buchwald is also looking forward to some promising new tennis players to be coming up this year to make up for the loss of several graduates.

Varsity Baseball

The summer season of 1963 concluded the triumphant and victorious spirit that had started the school year. The Varsity Baseball team caught and tied the S.W.I.A.C. leaders for the crown. With an almost veteran team returning to the diamond, S.H.H.S. should look forward to another memorable sport season. With the perfect infield composed of Jr. Bob Croke, Butch Remmel (All-County), All-SWIAC Tom Willmott, Pete Dandreano, with help from the battery of Dave Decker and Charlie VanSteen and Bill Young, and with the arms of Rod Rodr and Bob Variano, there should be another gold trophy for Sleepy Hollow.

Row 1: E. Scrocca, D. Decker, F. Gross, S. Krane, J. Riola. *Row 2:* Mr. DeMilia, B. Remmel, B. Croke, S. McLean, B. Variano, L. Skinner. *Row 3:* P. D'Andreano, C. Van Steen, B. Young, J. Buckley, T. Willmott.

J.V. Baseball

Row 1: F. Gugliamo, P. Sanzo. *Row 2:* Variano, B. VanWert, F. Zambrano, P. Survich, M. Warner, Mr. Stutts.

Track

This spring Sleepy hopes to continue its undefeated SWIAC skein built up over the past two years with such top runners as Joe Terrone and Jessie Carter returning in the sprints and hurdles, a strong trio of Mike McGowan, Jim Jacobsen, and Bob Woitarsky in the 440, Frank and Bill Huck, John Fox, and transfer Mike Salic in the distance events, plus field event men Brad Taylor, Gene Clark, Gene Washington, Doug Hood, and Bill McKnight in the high, broad, and triple jumps, Neil Benedict, Bob Mullan and Larry Grant in the pole vault, and Gene Carruthers and Steve Conn in the shot-put and discus. Missing from last year's fine squad will be Fred Hicock, Bossie Brown, Rich Barker, Joe Garcia, and Junior Williams.

HORSEMEN SURE OF TIE FOR TITLE

Sleepy Hollow Gains Fourth Straight League Victory—New Rochelle Wins, 14-9

Special to The New York Times

HARRISON, N. Y., Oct. 19—Sleepy Hollow High School of North Tarrytown gained its fifth victory of the season and its seventh in succession today. It also clinched at least a tie for the Southern Westchester Interscholastic Athletic Conference football championship by turning back previously unbeaten Harrison, 26 to 21, before a crowd of 5,000.

Two explosive scoring plays in the first quarter started the Headless Horsemen toward their fourth league victory. Harrison, which had also won four in a row but was playing only its second league game, was sparked by Ralph Friedgen Jr., but the Huskies could never catch up.

Joe Terrone scored what proved to be the winning touchdown on the first play of the fourth period after Harrison had closed the deficit to 20—14. Terrone broke through the right side, cut through his left and outraced the defenders for a 35-yard scoring run.

Horsemen Clinch SWIAC Title; Notch Sixth Straight Victory

By ED TULLY

The Rye Garnets arrived at W. I. Field Saturday afternoon, not in full belief of what they were to face, they left in astonished disbelief of what they had encountered, as the rampaging Sleepy Hollow Horsemen hammered them into immediate and total submission by virtue of a 34-0 score thereby clinching the 1963 SWIAC Football title, besides adding another victory, number six, to their steadily mounting total in that department.

Ground Attack

As the swift Sleepy Hollow ground attack set the pace, operating with watch charm precision, the Horsemen jumped off to their customary opening period lead as the standout defensive end Jim Buckley deflected a Rye punt attempt which Doug Deloaldato immediatley converted into six points for the initial Sleepy Hollow score of the afternoon. Brad Taylor burtled across the goal line for the extra tally.

The Garnets, amazingly, contained the Horsemen for the remainder of the first stanza but it was evident that the vastly superior S. H. line and unbelieveable backfield speed would begin to take its toll, sooner, if not later. Midway in the second quarter, Butch Remmel resumed his county leading scoring pace as he ran from the Rye 10 yard line for his first of two TDs on the day. A third was nullified by penalties. Again fullback Taylor added the PAT. By half time Sleepy had a 14-0 bulge with more to come.

Third Quarter

The third quarter witnessed the Horsemen ripping the game wide open as the shallow Rye defenders were brushed aside by the Sleepy line with frightening ease enabling the Red and White backfield to pour on their blinding speed all the more.

Brad Taylor, now warmed to the task by way of two PATs notched his first TD of the afternoon on a quick two yard bound into the Rye end zone. It seemed, as though, no sooner did Rye have the ball out of their possession than did the Horsemen score.

Joe Terrone, not to be outdone, came through with his expected Saturday afternoon touchdown via a 12 yard jaunt, with Gene Clark, the county's number one quarterback adding the extra point.

Remmel captured his second touchdown of the day in this quarter as he galloped 38 yards to paydirt, thus finishing the Sleepy Hollow scoring, as Coach O'Neil hurriedly sent the second and third strings into action in order to keep a faint semblance of a football game, in progress on the field.

The last quarter saw a standstill in the scoring as the in action. Either the Horsemen Sleepy Hollow reserves were were brilliantly superior or the Rye squad was just a Hollow shell of its former prominence in county football circles as they were unable to mount an offensive much less score a tally against the Sleepy Hollow second and third stringers.

In addition it is a tribute to Coach O'Neil's unselfish qualities of sportsmanship as he began removing the Sleepy Hollow first string towards the end of the third period, in order to keep the score within normal bounds, for there is no telling what the final count would have been had the regulars stayed in for the last quarter now that the range had been zeroed in third.

Swiac Title

With the SWIAC championship nailed the Horsemen have two games left in which to achieve the long sought after, magic undefeated season, Peekskill provides the opposition next Saturday at home (W. I. Field) while Sleepy Hollow travels to Ossining for the finale a week later.

Aftermath

Saturday's game which saw the championship won, was a team effort as every player saw a little action before the final bell. As always there were the individual standouts who added the little extra to the win. Johnny Blalock performed very well on defense as a linebacker. Jim Buckley also turned in a brilliant defensive game as he set up the first touchdown in the first quarter by way of a punt deflection. Tackles Carruthers and Young played both ways turning in standout jobs in each department, Steve Conn, as a linebacker, was all over the field making many tackles, Jack McMahon played a very strong defensive game, Guards Mullan and Herguth made the plays which enabled the Horsemen backfield to sweep the ends time and time again. Gene Clark added to his stature as number one county quarterback as he again directed a skillful, well-balanced attack, passing and running well. Remmel and Terrone ran beautifully, Remmel gaining his 12th touchdown of the campaign as he now leads the county in this department. Brad Taylor, the powerful fullback, returned to form with line battering drives. Jess Carter made quite a few tackles, plugged the holes, Mark Warner, Soph. fullback, performed creditably on the defense as did big Paul Surovich at the end slot.

Next weekend, Peekskill, strange but true there are some who persist in the belief the Horsemen will not get victory number seven come Saturday. By way of footnote, Horsemen were supurred on to the championship victory so that they could present it as a gift to assistant coach Bruce Thomas who became the father of a daughter Friday evening.

Capacity Crowd Sees 'Clean Game'

By Ed Tully

A new standard of athletic excellence was recorded in the sports annals of Sleepy Hollow High School and the Tarrytowns at approximately 4:46 p.m. Saturday afternoon. In The village of Ossining, as the first undefeated, untied football team ever fielded by the local school became an actuality. This unprecedented achievement occurred on the heels of a 27-0 rout of the Ossining High School team and was the final victory of a total eight for the course of the campaign.

This triumph, like most of the others, was an all-out team effort, highlighted by the outstanding performances of the starting team luminaries as JOE TERRONE (two touchdowns), CHARLES "BUTCH" REMMEL (one touchdown, two extra points, one touchdown nullified), BRAD TAYLOR (one touchdown), JOHN BLALOCK (one extra point), GENE CLARK, quarterback, who directed a skillful, well balanced attack in spite of a shoulder injury; STEVE CONN, who played an A-1 offensive - defensive game at center; BOB MULLAN and JEFF HERGUTH, who performed at the guard slots as though they had invented the positions; GENE CARRUTHERS, despite injury demonstrated the manner in which the left tackle position should be played; BILL YOUNG, made value. In fact, they all played as they have never played before!

Honor, Praise to OHS

Honor and praise must be extended to the vanquished Ossining foe, who entering the contest had only the faintest, most remote hope of victory, fought the Red and White brilliantly, on even terms, for the first half of the game as the Horsemen were restricted to a slim six point edge by half time. However, by the third quarter, that which had overtaken so many other opponents, blinding backfield speed and aggressive linemen, completely overwhelmed the courageous Ossining adversary as one red bullet after another would alternate from left to right to middle, accompanied by the spiraling roar of the capacity crowd, climaxing in shrieks of expectation, steadily wore down the haggard, ashen face defenders until they were helpless against it.

The first quarter witnessed a hard-fought defensive effort in Ossining territory as Sleepy Hollow was carrying the fight straight to its rival, immediately after the kickoff. Although, constantly threatening

Sleepy Hollow Tops Eastchester 34-0

Horsemen Skin Eagles, 59-57 At Eastchester High

Clark And Ennis Spark Attack...

By Ivan Gulyas and Alan Nicolai
School Correspondents

An inkling of the excitement which would later become paramount came to the Horsemen fans as both Sleepy Hollow and the Eagles warmed up to that old familiar, and to most spectators, meaningful tune, Sweet Georgia Brown.

During the first quarter the Eagles donned new wings to fly to a 4 point lead, 12-8. However, by the end of the 2nd quarter, the Horsemen galloped full speed ahead, cross the court to narrow the gap to 1 point. The crowd felt a current of excitement as half time showed an unbearably close score of 25 for the Eagles, 24 for the Horsemen. There was a hard struggle in store for both teams.

With the score tied 38-38 by the 3rd quarter, both teams were looking for that all important 3rd quarter drive. The score seesawed at this point with Remmel and Clark scoring alternately.

Gene Clark

Clark left the game after scoring 32 for the Horsemen. He suffered a head injury, but played most of the game. Butch Remmel, with his tremendous speed and quick drives set up much of the Horsemen offensive patterns.

The Horsemen victory belongs to Jim Barkley, Bob Carpenter, Rod Schlieder, Brad Taylor, Tom Willmott, Joe Jenkins and Mike Fleihaut, along with Clark, Remmel and Ennis who all played fine ball games.

Coach Joe Sagre remarked after the ball game, "The contest was won in the last quarter by a remarkable team effort."

Horsemen Runners Capture SWIAC; Season Reaches 5-0 Mark

By E. FRANDSEN

The Cross Country team of Sleepy Hollow High School clinched its second consecutive Southern Westchester Interscholastic Athletic Conference title on Thursday afternoon by defeating a strong Pelham team by a score of 26 to 31. The Horsemen now have a spotless record for the season: five wins and no losses.

The Pelhams had the individual winner in the varsity race in Mel All-SWIAC selection Joe Hemmings, but the second place spot went to lanky local Frank Huck, who has been running very well for the Horsemen all season. Shel Johnson of Pelham was third, with the Tarrytown contingent of Soph Bob Wolitarsky, Junior Bill Huck, and Soph Mike Salic doing a fine job of outdistancing their rivals for Pelham. Jim Jacobsen was the Horsemen's fifth man (coming in sixth), and was followed by Jim Logan (only a Freshman) and Frank Pavella who came in tenth and eleventh respectively, to ice the meet for the boys from the hill. Credit is also due to John Fox, Big Chuck Beck, and Alan Nicolai, all of whom have put out for the team not only in this race, but throughout the entire season.

Much credit is due also to the fine coaching of "Uncle Steve" Koulla, who, in three years of guiding the harriers, has yet to have a losing season.

Horsemen Wrestlers Halt Peekskill, 26-21

By Pete Schwartz
School Correspondent

The Sleepy Hollow wrestling team defeated the highly rated Peekskill wrestlers, yesterday, pulling itself up out of a five match losing streak. The Horsemen started out by winning the first four matches, scoring an early lead. Bobby Baker and Danny Hayes scored shutouts on their opponents 10-0, and 13-0, for the first two victories.

Callahan, Bashant, Leonard

Brian Callahan sparkled as he pinned Jim Gutowski in the style, and J. Bashant found a rough competitor in Ed McKenzie, but, never-the-less pinned him late in the last period. Team captain Bruce Leonard, wrestling at a 10 pound weight disadvantage, increased his undefeated streak by pinning Joe McKay in 3 minutes.

Jesse Carter decisioned Jim LaPalla, 2-1.

Eddie Reynolds and Jim Bakkalian met tought competitors and were halted by a matter of a few points.

Following the match, two exhibition matches were held. Roger Bashant, who came out late in the season, pinned his opponent quickly, and should appear on the varsity line up in the near future. John Beal lost his match, but wrestled well in defeat.

The Horsemen's overall record for the season is 2 wins, 5 losses, and 1 tie. There are 3 matches left for the Horsemen, and a victory over each oncoming opponent is predicted. Four of "Sleepys' five losses were very close and lost by less than a six point margin. The Horsemen suffered their worst defeat against Rye last week, but the future looks bright and Coach Jack McCleery hopes the Horsemen will shine in the following weeks, against such teams as John Jay, Tubbs Ferry, Port Chester (which Sleepy Hollow beat earlier in the season), Spring Valley, and Nanuet.

Peekskill led throughout most of the first and second quarters with the score 16-13 for Peekskill at half-time. Sleepy recovered in the second half with fine scoring by Whitt and Reggie Cardwell. The third and fourth quarters were dominated by Sleepy Hollow as the Peekskill squad buckled under the Horsemens scoring assault.

S.H. Harriers Win 3rd Straight Meet Peekskill This Wednesday

The high flying harriers of Sleepy Hollow high school posted their third SWIAC League victory by vanquishing the Gaels of Rye, 16 to 47 on Friday afternoon at the Sleepy Hollow field. The win put Sleepy Hollow at 3-0 for the season and at the top of the league standing.

The winner of the varsity race was Junior ace Frank Huck, who was clocked in 12:32.2, the fastest time yet this season at Sleepy Hollow. Huck led from the gun and finished with a respectable sixty-five yard lead.

Second to cross the finish line was Soph Bob Wolitarsky, also of the home forces. Bill Huck, brother of Frank (and younger by ten minutes), was third, with Frank Pavella close behind, thereby capturing the first four places for the Horsemen.

Rick Smith of Rye ran fifth, but the Horsemen contingent of Big Chuck Beck, John Fox, Jim Logan, Jim Jacobsen, Mike Salic and Danny Kidd managed to finish before Rye's second man, Jay Warner, thereby tying the meet for the Horsemen.

Coach Steve Koulla's troops will next see action against the Red Devils of Peekskill this Wednesday away.

Horsemen Sextet Defeat Eastchester 10-2, At Playland

By Bo Van
School Correspondent

Wow! As predicted after the last Eastchester game, Coach Doc Hasbeck's Headless Horsemen Ice Hockey Team scored ten goals and defeated hapless Eastchester 10-2 last night at Playland Ice Castle. Frank Ruffle and captain Neil Benedict both scored three goals and garnered the much coveted "hat trick".

The Horsemen started the game relatively slow and did not come alive until Frank Ruffle scored the first of his three tallies at 4:02 of the Initial Frame. Neil Benedict, a senior defenseman, scored the first leg of his hat trick two minutes and thirty nine seconds later. Dave Foster was the third Horseman to enter the scoring column when he scored on what was one of the prettiest goals scored this year at Playland. Upon receiving a pass from Ruffle, Foster spun around and slipped the rubber past an astonished Bob Lalli of Eastchester. Freshman flash Ruffle scored again at 7:43 unassisted and thus ended the first period with the Tarrytowners in front 4-0.

Second Period

The second period saw defensive lapses on the part of the Horsemen and Eastchester took advantage of the local mistakes and scored twice on Cheddy Van Steen, the Sleepy Hollow reserve goalie. The only Horseman score of the period occured when Ruffle gained his hat trick on a pass from Dave Foster.

The wild and woolly final period saw four different Horsemen score among which was even the regular Horseman goalie. Sheez no! Bob Van Wert, the regular goalie for the local squad scored a goal at 1:24. A minute and twelve seconds later Battlin' Bill Bashar scored his first goal of the evening on an assist from Van Wert. Captain Benedict scored his second tally of the evening at 7:28. Less than one minute later, George Kuntz scored his first league goal of the season when he drilled a rebound past Lalli for the ninth Horseman goal of the runaway. Benedict completed his bid for a hat trick when with only two seconds remaining in the game, he scored a low, hard shot through Lalli's legs.

With six different Horsemen entering the goal scoring column, this was probably the most gratifying win of the season for the Tarrytowners. The win places the club at the .500 plateau for the first time this year and believe me, it is a good feeling.

Neil Benedict became the first defenseman to gain the coveted hat trick in the W.I.H.L. This was Neil's first hat trick since his Freshman year and were the first points scored by the big defenseman this year. Ruffle became the third forward to score three goals in one game this season. A Freshman, Frank has much more goals to look forward to in his career.

Goalie Bob Van Wert became the first goalie in Sleepy Hollow history to score a goal. Besides the goal, Van Wert also had an assist and a penalty and presently leads all league goalies in these three departments.
